

Vicar's Report to the PCC March 2021

Dear friends,

Thank you so much for all your kindness and your congratulations since Rowan joined our family at the beginning of January. I am very appreciative to Sue, Rachel, and all of you for taking on things so that I was able to be at home for January. I know that important work has continued with the school community, with the Bulkington Volunteers, and with families grieving for loved ones.

At the beginning of January the PCC made the decision to take our worship online, which has been continuing throughout February as well. Thank you to Sue, Rachel and the Coopers for taking a role in that and there have been many people tuning in to that and we continue to trust that God is working in people's lives through those services. We have also had our Lent Group for this year start on Zoom, exploring Sunday readings together.

As we look to Easter and what's ahead, we give thanks for continuing rollout of COVID vaccinations and the significant decision we have to make is when and how to resume in-person worship alongside what is happening online at the moment.
