REFLECTION

Thy Kingdom Come Reflection

'Thy Kingdom Come' is a global movement of prayer that started in 2016 with an invitation from the Archbishops of Canterbury and York. They invited people to spend the days between Ascension Day and Pentecost praying for more people to come to know Jesus. After the very first Ascension Day, Jesus' disciples gathered with Mary to pray as they waited for the promised Holy Spirit. Like them, our reliance on the gift of the Holy Spirit is total – on our own we can do nothing.

Over the last few years, 65 Christian denominations in 114 countries have taken up this invitation to pray. Whether you have done so before or not, why not consider this invitation to pray this year between Thursday 30th May and Sunday 9th June? Choose 5 people (or how ever many you choose) and ask God to be with them and to be at work in their lives. The prayer of the worldwide Church during this time is that people's faith in Jesus will be deepened and prayer will be part of all of our lives. Visit www.thykingdomcome.global for ways of praying, resources, and much more. Thy Kingdom Come, Thy Will be Done.

Could you help with the news sheet?

Each week this news sheet provides information on things that are happening throughout the week at St James, along with things to pray for. Pam Gibbs has very kindly compiled the news sheet during the vacancy, and since then, but she would like to step down while she concentrates on other things in Church life. If you'd be interested in taking on the role, which is not onerous and comes with plenty of help and support, please speak to either Pam or Charles by the end of June. Thank you!

Café Church Songs

I have created a playlist of new worship songs that have been, or will be sang at Café Church services. This playlist is accessible for free if you would like to familiarise yourself with these songs.

To access the playlist either copy the below link into your web browser or scan the QR code by pointing your camera to it on your smart phone and then follow the link. You will be asked to set up a free Spotify account either online or in an App and you will then be able to listen to the playlist for free (with occasional adverts between songs).
